

Juno Fee Disclosures

Our goal at Juno from day one has been to ensure that our members have the most seamless financial experience in the United States.

As a digital banking platform, we keep our costs extremely low. Hence, we don't charge our customers unnecessary hidden fees

- No Minimum Balance
- No Maintenance Fee
- No Foreign Transaction Fees

As we continue to grow and expand, we want to focus on ensuring the sustainability of building and providing our services to our members. While we have been covering costs associated with some transactions to date, we will be introducing modest transaction fees on the platform.
